YUKON BUREAU OF STATISTICS

Yukon Monthly Statistical Review
February 2011

Highlights:

- Yukon's unemployment rate was 4.1% in February 2011, the lowest in Canada for the fourth month in a row.
- In December 2010, Yukon's population was 34,667 people, with 75.9% of the population residing in Whitehorse.
- The average selling price for a house in Whitehorse rose to the record high of $404,800 in the fourth quarter of 2010.

New this month at YBS: *Survey of Household Spending, 2009*

- Produced on a biannual basis, this report contains information about the spending patterns, dwelling characteristics and household equipment of Yukon households, based on household expenditures in the past calendar year
- Focuses on spending patterns in Yukon, as well as providing comparisons with Canada and the other provinces and territories
- View the complete publication at http://www.eco.gov.yk.ca/stats/pdf/2009_Survey_Household_Spending.pdf

January	113.9	0.8%	115.1	1.9%

Source: Statistics Canada CANSIM.

*Please see table endnotes on page 12.

On a **monthly** basis, in Whitehorse (figures for Yukon are not available) overall prices increased 0.3% from December 2010 to January 2011.

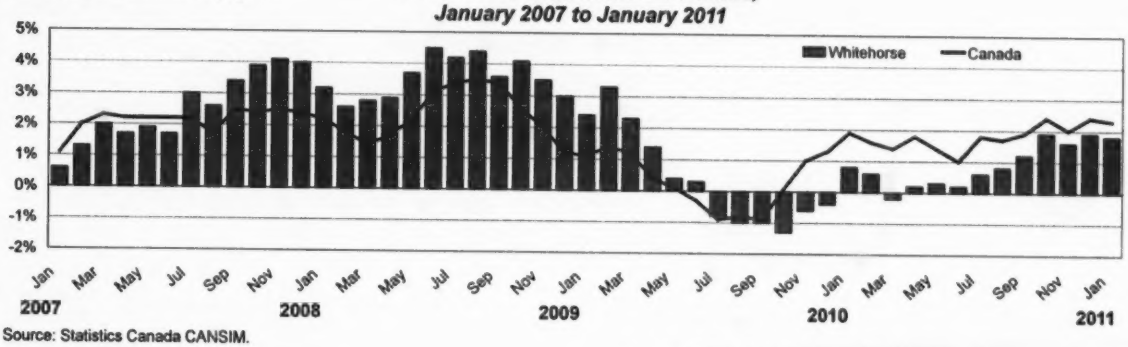
Major **monthly** increases were seen in the following CPI commodities:

- Gasoline
- Fuel oil and other fuels
- Non-alcoholic beverages

Some of the major decreases partially offsetting **monthly** increases were:

- Fresh fruit
- Recreational equipment and services (excluding recreational vehicles)
- Footwear

3.2 Inflation, Whitehorse vs. Canada; January 2007 to January 2011



Source: Statistics Canada CANSIM.

Comparing the month of January 2011 with January 2010, the **annual** rate of inflation in Whitehorse (1.8%) was 0.5 percentage points lower than the annual rate of inflation in Canada (2.3%).

Annual increases for Whitehorse in November were seen in:

- Gasoline
- Fuel oil and other fuels
- Rent

Offsetting some of these annual increases were decreases in:

- Recreational equipment and services (excluding recreational vehicles)
- Footwear
- Mortgage interest cost

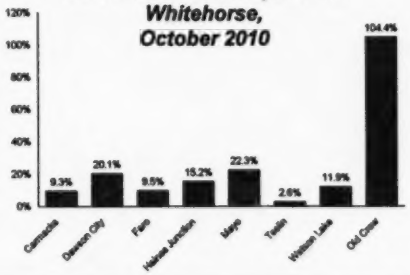
In October 2010, the highest prices in the communities were found in Old Crow (104.4% higher than Whitehorse). Prices in Teslin were closest to those in Whitehorse, at 2.6% higher than Whitehorse prices.

The **Consumer Price Index (CPI)** is produced on a monthly basis by Statistics Canada and is used to determine price change (inflation or deflation) in a given city or province over time.

The **Community Spatial Price Index**, on the other hand, is produced biannually by the Yukon Bureau of Statistics and compares prices in Whitehorse to prices in other Yukon communities.

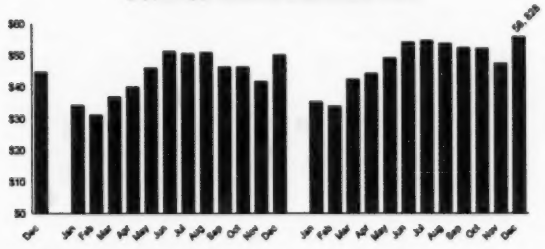
Cost Difference compared to Whitehorse, October 2010



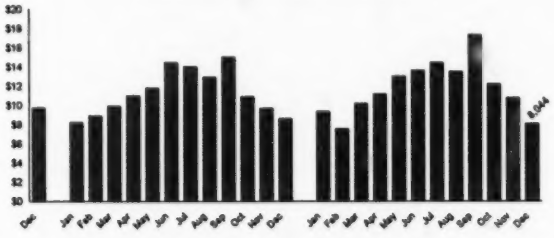
4. Trade

4.1 Retail and Wholesale Sales

Retail Sales ($000,000); December 2008 to December 2010



Wholesale Sales ($000,000); December 2008 to December 2010



Source: Statistics Canada CANSIM.

Retail sales totalled $576,387,000 in 2010. This represents an increase of $49,734,000 or 9.4% when compared to the annual total for 2009. Canada wide, sales totalled $436,524,000,000 in 2010.

Wholesale sales totalled $141,066,000 in 2010. This represents an increase of $5,725,000 or 4.2% when compared to 2009. Canada wide, sales totalled $534,587,000,000 from January through December 2010.

*Please see table endnotes on page 12.

On an annual basis, the value of Yukon building permits in 2010 totalled $131,815,600. This was a decrease of $26,484,600 or 16.7% compared to 2009.

Of the total building permits issued in February 2011,

- 78.1% of the value was in residential permits
- 19.3% was industrial permits
- 2.5% was government/institutional permits
- 0.1% was commercial permits

*Please see table endnotes on page 12.

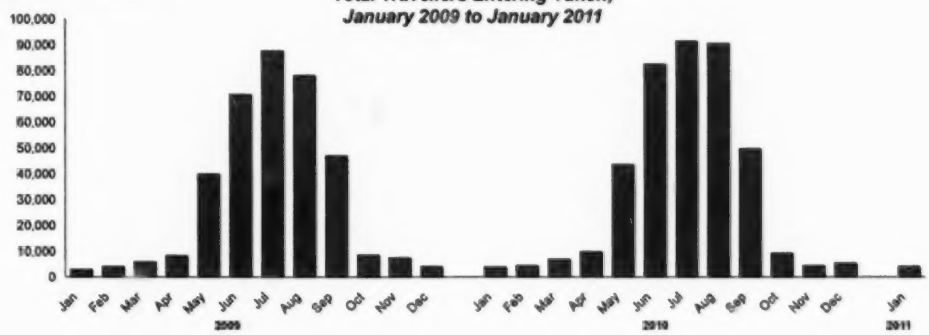
The number of visitors entering Yukon through Canada Customs points of entry in 2010 was 400,507, compared to 363,318 for the same time period in 2009. This represents an increase of 37,189 travellers, or 10.2%.

Total Travellers Entering Yukon, January 2009 to January 2011



Endnotes

1. Population

1.1 & 1.2 Due to the use of regression modelling, the sums of rows and/or columns may not equal totals given. In addition, population estimates do not include approximately 200 RCMP and military personnel living in Yukon who do not subscribe to the Yukon Health Care Insurance Plan.

1.2 'Other' includes communities such as Champagne, Elsa, Johnson's Crossing, Keno City, Stewart Crossing & Swift River.

1.4 Migration estimates are based on both international and interprovincial movement into and out of Yukon, as well as returning emigrants, temporary emigrants and non-permanent residents.

2. Employment

2.1 Yukon figures are rounded to the nearest hundred; because of this, figures may not sum to totals. All Yukon figures from the Labour Force Survey are three-month moving averages based on 92% coverage.

2.2 Yukon and Northwest Territories are not included in the Canadian unemployment rate.

2.3 "Total" government employment includes Yukon Liquor Corp. and Yukon Development Corp./Yukon Energy Corp.; excluded are First Nation governments. "Territorial General" government employment includes employees of all Yukon Government departments, as well as employees of Yukon Workers' Compensation Health & Safety Board, Yukon College, etc. "Territorial Health & Social Services" includes employees at Whitehorse General Hospital, Alexander MacDonald Lodge, Children's Receiving Home and Assessment, Detoxification Centre, group homes, Norman D. Macaulay Lodge, Northern Network of Services, Copper Ridge Place and the Thomson Centre.

2.4 & 2.5 Unclassified employees are excluded, as well as those enterprises primarily involved in agriculture, fishing and trapping, private household services, religious organizations, and military personnel of defense services. Additional employee and earnings data for other NAICS (North American Industrial Classification System) categories are available by contacting Yukon Bureau of Statistics.

2.6 & 2.7 Employment insurance income beneficiaries include regular, sickness, maternity, parental, training and other types of benefits, but exclude those receiving employment and support measures benefits. "Other" in graph includes beneficiaries from other communities than those displayed, as well as beneficiaries whose community could not be determined. A value of "0" represents one of the following: 1) value is actually zero; 2) value may be rounded to zero; or 3) value is more than zero but is suppressed for confidentiality reasons.

3. Consumer Prices

3.1 & 3.2 The Consumer Price Index (CPI) measures price changes over time but should not be used to compare costs between provinces and cities. As of the May 2007 CPI release, the weights of various items in the basket of goods and services used to calculate the index have been updated from 2001 to 2005.

5. Rental Units

5.1, 5.2 & 5.3 The Yukon Rental Survey covers buildings with four or more units. Rentals with less than four units (such as houses, suites and duplexes) are not included in the survey.

6. Real Estate

6.3 Bank Rate figures are from the last Wednesday of the month.

6.4 The 'Family Lots' category does not include the majority of lots purchased by contractors. For further explanation, contact Yukon Bureau of Statistics.

7. Construction

7.1 Rounded data may not sum to totals. Permits issued in the communities are totalled on a calendar month.

8. Resources

8.1 All prices are in US dollars. Prices of gold and silver are a.m. fix prices at month-end. Prices of lead, zinc and copper are London Metal Exchange "cash seller" prices at month-end.

8.3 'Total' includes other types of refined petroleum product sales. Domestic sales are by reporting companies, are exclusive of exports and sales to other reporting companies, and are adjusted for exports and imports by non-reporting companies. 'Aviation gasoline' includes all gasoline-type fuels for piston-type aircraft engines.

9. Transportation

9.2 This table only includes persons entering Yukon by land at Canada Border Service Agency points of entry. Travellers entering Yukon through all other roadways are excluded, as are persons entering by air and water. *Please note:* Fraser BC border crossings are included in totals even though there is the possibility that these persons may never physically enter Yukon.
